

DENTAL ANESTHESIA CONSENT

Client Name: _____ Patient Name: _____

Anesthetic/Surgical procedures to be performed:

PREANESTHETIC BLOOD TESTING

It is important to understand that a pre-anesthetic profile does not guarantee the absence of anesthetic complications. It may, however, greatly reduce the risk of complications as well as identify medical conditions that could require medical treatment in the future.

Our greatest concern is the well-being of your pet. We will perform a physical examination before administering anesthesia. However, disorders of the liver, kidneys or blood, are not detected unless blood testing is done.

MICROCHIP

I authorize the doctor to microchip my pet while under anesthesia.

Authorization to Perform Surgical Procedure and/or Treatments

I, undersigned owner or owner's agent, of the pet mentioned above the hereby authorize the doctors at Knightdale Animal Hospital to perform the above anesthetic and surgical procedure(s) for my pet. I understand that some risk always exists with anesthesia and/or surgery, and that I am encouraged to discuss any concerns about those risks with the attending veterinarian before the procedure(s) is/are initiated.

I give my consent to have diseased/broken teeth extracted by the veterinarian. I understand that I will not be called before the extractions are performed.

Consent/Decline Directive for Cardiopulmonary Resuscitation and Release of Legal Liability

Should, based on the medical judgment of an Animal Diagnostic Veterinarian, my pet, require cardiopulmonary resuscitation (CPR), including cardiac compression, positive pressure respiration, emergency drugs, or other heroic interventions, I request or decline that the doctor(s) at Knightdale Animal Hospital pursue such medical care as indicated below.

_____ **Request For CPR**

Having requested such emergency procedures, I agree to be held responsible for a minimum resuscitation fee of \$150.00 to pay for the services performed while staff members pursue treatment and try to reach me for further directions. Regardless of my pet's survival, I agree to pay this fee in addition to the other fees already identified by the practice and agreed upon by me.

I agree that if the Knightdale Animal Hospital staff is unable to reach me within 15 minutes after the initiation of CPR procedures, and after exercising reasonable medical judgment, a veterinarian determines that there appears to be virtually no hope for medical success, the future CPR procedures will cease.

I have been informed by Knightdale Animal Hospital and understand that despite the best efforts of the veterinarian and staff at Knightdale Animal Hospital, CPR may not save my pet's life. I also understand that even the most successful CPR that restores my pet's life may not allow my pet to regain his/her normal mental and physical health, and thus may leave him/her as an invalid.

_____ **Decline CPR**

DO NOT RESUSCITATE MY PET. I have read the above information and release. I agree to the above terms and release and request that **NO CPR BE PERFORMED ON MY PET.**
